To

C. S. Balasundaram Iyer, Esq., B.A.,
Chief Secretary to the Government of Mysore.

Sir,

With reference to your letter No.G.24032 of the 20th April sanctioning the export of 611 tons of food grains to the Madras Presidency during the month of April 1920, I have the honour to submit herewith a copy of letter No. C.614/20-8 dated the 16th instant from the Director of Civil Supplies, Madras. It will be seen that he asks for 590 tons as against 611 tons last month besides the arrears of previous months. The quantity required for the Nilgiris has been increased from 476 to 540 tons, but there is a reduction in the requirements for Malabar-Wynaad and for Hosur in the Salem District.

According to information available in this office there are arrears of previous months to the extent of 795 tons still due to the Nilgiris only, and 26 tons to the Malabar-Wynaad. I recommend that the export of the quantities asked for for the month of May may be sanctioned. But, I propose informing the Director of Civil Supplies, Madras, that under the present altered circumstances when there are no reciprocal arrangements between Madras and Mysore there is no object in carrying forward the arrears of previous months.

Very

Very early orders are solicited.
